Thank you from the bottom of our hearts!

This clinic was so successful and with everyone's help overcame obstacles thrown our way effortlessly. A special thank you to volunteer Marcy for saving the day with a generator! Words cannot express how grateful we are for each and every one of you. We were honored to show Jonathan M., President of CSULB Flying Samaritans, our clinic and how we function. A big thank you to our providers who never fail to support, advise and teach us throughout clinic. Thank you to our volunteers for your passion and dedication. You are all making such an impact on the lives of the people of Ejido Matamoros. We cannot wait to continue impacting their lives with you all at our September clinic!
