Thank you from the bottom of our hearts to all our providers and volunteers! A special shoutout to Katherine A. and the community of Lemon Grove/La Mesa who have donated an incredible amount to SDSU Flying Samaritans. Thank you to our providers and volunteers for working hard through the long days at clinic. Your dedication, time and commitment never goes unnoticed! We are thankful to have new providers, new members and especially thankful for our returning providers and volunteers; without you all clinic would not be possible. We are blessed to have all of you be apart of our Flying Samaritans Family.

This month's providers: PT Andy, Dr. Seamanduras (Dr. S), PA Adam, PA Andres & Dr. Bustamante

New Members: Diana D., Kaylen W., Lauren A., Vanessa E. & Marinda L.
