## Muchas Gracias !

A huge thank you to our providers and volunteers for supporting this month's clinic! We were able to see 91 medical patients, 14 dental patients and dispense 13,807 pills! WOW~this all would not have been possible without our dedicated providers and volunteers. This month's clinic we had a total of 8 new members! New members and frequent members are what make clinic successful. All patients who went to the optometry clinic received their glasses and were excited to receive them. Thank you to all our volunteers for participating in fundraisers and being so dedicated during clinic. Thank you to our providers who help our patients with their medical needs and teach all our volunteers their expertise in medicine. We love you all and are so blessed to have you all in our Flying Sams Family!

**This month's providers:** Dr. Cao, Dr. Kesselhaut, Dr. Luu, Dr. Thomas, PA John, RN Dustin, RN John, PT Andy, PT Gail, Dr. Chenge, Dental student Samer G., Dental student Sebastian R. and Pharmacy student Anesheh
